

Virtual Public Meeting on HOME-ARP

Tuesday, May 24 at 3:00 – 4:30 p.m. (EST)

The US Department of Housing and Urban Development (HUD) has allocated \$3,105,309 to the Butler County – Middletown HOME Consortium, through a one-time supplement of HOME Investment Partnerships American Rescue Plan Program (HOME-ARP) funding. This funding has the purpose of reducing homelessness and increasing housing stability.

The County is holding a meeting, open to the public, to discuss needs relative to this funding, and to gain input from stakeholders and the public on addressing needs through activities that are eligible under, and potentially supported through, this program. This information will be useful as the County develops an allocation plan for submission to HUD, relative to the HOME-ARP funding.
