

## Development Update 10/31/08

# COX ROAD EXTENSION

Construction is largely complete on the extension of Cox Road into Liberty Township at Hamilton-Mason Road. The new road contains four lanes, median, turn lanes, curb, gutter, and sidewalk. A paved bike path is located on the east side of the extension.

Completed under the direction of the Butler County Transportation Improvement District (T.I.D.), the total project cost is approximately \$4,500,000. The extension of Cox Road is Phase 1 of the Liberty Interchange project that will open up hundreds of acres for business development when fully complete.
